How to reset your password for ORG&HPS

You can find the Login Form on the Home page as well as the Members Only page on the website.

Your Username for members prior to December 1, 2020 will be your first name last name in Title Case. An example would be John Doe. For new members it will be as you set it up when you joined. Your Username can be updated in your User Profile under the Members Only menu once you are logged in.

1. If you don’t yet have a password or forgot your password click on the Forgot your password link.

2. Enter your Email address in the box provided. Check the box for I’m not a robot and click Submit button.

3. You will receive an email that looks like the one below. To be able to reset your password click on the link that is highlighted in blue. You do not need to remember the verification code if you click on the link. For those who do not want to click the link, you may have issues copying and pasting the link in the verification field. Be careful that you don’t also include in your copy any blank spaces.
