

How to Order Seeds Online for the 2021 Seedex

At noon on the day following the delivery of the December Journal (which will include the Seedex List) you will be able to begin ordering seeds.

Seed Orders with payment are stamped with date and time received. Members who have donated seed get to have their selections picked first in order of time stamp. Once these orders are picked the balance of the orders are picked based on date and time of order with payment receipt.

To begin your order you first need to log into the site with your membership information so that you have access to the seed ordering menu options.

To find the Seed ordering options select the Seedex Menu option (see below). If you are the Primary member of your Household you should enter your order on the 2021 Primary Seedex Order option. If you are entering an order on behalf of someone else in your household then use one of the other seed order options available.

The screenshot shows the website header with the logo for the Ontario Rock Garden & Hardy Plant Society, a chapter of NARGS. The navigation menu includes Home, Plant of the Month, Events, Germination Guide, Seedex, Membership, Sales, Resources, About Us, and Members Only. The Seedex menu is open, showing options: Donating Seed, 2021 Seedex Information, 2021 Primary Member Seedex Order, 2021 2nd Household Member Seedex Order, 2021 3rd Household Member Seedex Order, and 2021 4th Household Member Seedex Order. A search bar is visible at the top right, and a banner for Seedex 2021 is on the right side of the page.
